Frazier Ministry Projects

MoodleBox

The MoodleBox is a small box placed on a table that brings the classroom to the students. It does not require consistent internet connectivity or electricity.

FATEN would like to set up a MoodleBox for each district center in French-speaking districts on the Africa Region. The cost of the MoodleBox is \$250, including a power bank and cables.

If you or your church would like to sponsor a particular district, please send me an email at jrussellfrazier@gmail.com. I will send you a list of the districts available and directions for contributions.

Forrest Henry McCullough

Evangelist Forrest McCullough endowment

Evangelist Forrest McCullough Endowment is an endowment for students in Africa. This project was designed to help evangelists and pastors with scholarships to pursue their studies at the university level. The project was inspired by Evangelist McCullough and dedicated to him for the sacrifice he made to spread the word of God and train pastors. Any amount of money would help with scholarships for pastors!

FATEN

Faculté de Théologie de l'Église du Nazaréen

The Faculté de théologie de l'Église du Nazaréen (FATEN) is a project of the Africa Region. It will be an online educational institution designed for French-speakers to enable them to earn a Bachelor of Arts in Christian Ministry. The need for the institution is great and the impact will be greater still. The total projected start-up costs will be \$120,130. However, any amount of money will be helpful!

You can give through the following website: <https://give.nazarene.org/donate/faten>.

ANU School of Religion and Christian Ministry

The School of Religion and Christian Ministry has prepared a new curriculum, a Master of Arts in Christian Ministry. The program is designed for individuals who have completed a degree in another domain of study, like a bachelor's degree in education, but now they feel the call to ministry.

The Master of Art in Christian Ministry will allow them to complete the educational requirements for ordination within the COTN at master's level without taking a second bachelor's degree. Currently, we do not have funds for the application fee for this curriculum to our regulator in Kenya. The cost is \$2550.

Thank you for your continual support!
