Deputation 2023 and General Assembly

We want to say a big thank you to all of the churches and districts who hosted us while we were on home assignment. You all are such a blessing. It was a busy time of travelling many miles to several different states. We toured churches in East Tennessee, Tennessee, Louisiana, Mississippi, Kentucky, Indiana, and Colorado. We enjoyed reconnecting with many friends and family and meeting new friends along the way. It is wonderful to be a part of the family of God!

We praise God for seeing us through severe weather while travelling through Kansas and again in Tennessee.

General Assembly was one of the highlights of our time in the States. Thank you to all who stopped by the FATEN booth! We certainly enjoyed some time with family. We especially enjoyed the time with our grandkids.

We were blessed to host the East Tennessee work and witness team group at our house for a BBQ dinner. We appreciate the work they are doing on the campus of Africa Nazarene University.

Graduation

On Friday, July 28, Africa Nazarene University held its 26th graduation. It was a beautiful, colourful ceremony for the 907 graduates. Each of the five schools within the University graduated numerous students. The graduating class of the School of Religion and Christian Ministry was smaller than the other schools. However, there were some significant milestones. The SRCM celebrated the graduation of a Ph.D. in Religion student and five Master of Arts in Religion students. We are grateful to serve Africa by training leaders who will go out and impact the world for Christ.

The motto of the University is, "What begins here transforms the world." We believe that these students will make an impact on the world!

Prayer Requests and Praises

- We thank God for His protection on the road and in the air as we travelled to the USA, around the USA, and back to Kenya.
- Thank God for the funds raised for FATEN, the institution for French speakers.
- We are grateful for the East TN District Team, which is here now, working on the campus at ANU.
- Pray for the students, faculty, and staff as we start the new semester on August 28.
- Pray for rain that is needed in Kenya.
