

## Frazier's Bio

Russell and Carla Frazier have been approved by the Church of the Nazarene, World Mission Department, as Global Missionaries to serve in Nairobi, Kenya at Africa Nazarene University. Russ serves as a senior lecturer in the religion department, and Carla serves as an assistant in the finance department.

The Fraziers are no strangers to missions. From 1998 to 2005, they served as missionaries on the Africa Region. They lived in Kigali, Rwanda and served the Great Lakes region of Africa, including the countries of Rwanda, the Democratic Republic of the Congo, and Burundi. Carla administered the Child Sponsorship program in the Great Lakes region and assisted in the administration of the Bible institute. Russ served in a number of different roles: the coordinator of theological education, coordinator of Nazarene Literature, district superintendent, mission coordinator, and assistant to the Field Strategy Coordinator. In 2005, Russ and Carla resigned from the Global Mission contract to return to the States so that Russ could finish the Ph.D. and to provide more options for the education of their children in the English language.

However, Africa was deeply imbedded within their hearts.

Russ and Carla would love to share their story with your church. They desire to partner with you and your church in this ministry.
